Food Allergy Notice

"Before placing your order, please inform your server if a person in your party has a food allergy"

Founded in 1979,

Choice Snack Bar, is a super successful 'all day Fast Food' restaurant with large array of delicious food with super quick service.

A family owned chain of restaurants, Choice modestly commenced its first outlet on C.G. Road which now has grown to four owned outlets.

Not in a hurry to grow the brand is purely conscious about their standards of quality and consistency of food and services. The family guarded secret recipes are scrumptious enough to make a first time guest into a patron, for sure! Many in the state swear in the name of Choice Snack Bar when it comes to fast food and all day dining.

Handpicking its franchise partners, Choice Snack Bar is open to franchising in the region of Gujarat. With seeds sown all over, the Snack Bar will soon see growth from East to West and North to South.

Our mission is to redefine the Quick Service Restaurant (QSR) format by extending our addictive flavors across the world.
